MILITARY FORCE MARCHING UPON SERVIA'S CAPITAL

Late King Was Popular With Garrison Of
Tish—Regiment Will Not Recog-
nize Government By Assassi-
nation—Up In Arms.

Royal Couple Buried In The Early Hours Of Morning—City Lavish-
ly Decorated With Flags—Alexander's Cipher Removed
From The Officers' Cockades.

Berlin, June 12.—A dispatch to the
Lokal Anzeiger from Budapest says the
garrison of Nish, where the late King
Alexander was most popular, is, ac-
cording to a railroad official who has
arrived at Budapest from Belgrade,
marching on the Serbian capital with
full war equipment and artillery.

King Alexander and Queen Draga,
who were assassinated in the royal pal-
ace, were buried during the night in
the family vault of the Obrenovitchs in
the chapel of St. Mark. The interment
was carried on in complete secrecy be-
tween 1:30 and 3 o'clock this morning.
Colonel Naumich was buried this
morning. Belgrade is lavishly decorated
with flags and the national colors.
All officers yesterday removed Alex-
ander's cipher from the cockades of
their caps.

Washington, June 12.—The state de-
partment has received the following
cablegram from Charles S. Wilson, sec-
retary of the legation at Athens, dated
yesterday:

"No new Serbian king officially pro-
claimed. National assembly decides
Monday."

London, June 12.—The Serbian Min-
ister here has received confirmation of
the statement that neither Russia nor
Austria will interfere in the Serbian
choice of a sovereign. He anticipates
that Prince Peter Karageorgewitch will
await a summons from the Skupstina,
a deputation from which will
probably go to Geneva and escort the
new king to Belgrade.

DENIES ALL COMPLICITY.

Newly Proclaimed King Remains
Quietly in Geneva.

Geneva, June 12.—Prince Peter
Karageorgewitch, the newly pro-
claimed king of Serbia, in an in-
terview today, repeated his dis-
claimer of any complicity in the
assassination of King Alexander
and Queen Draga. He expressed
his detestation of crime in un-
restrained terms.

"I was first informed of the
royal tragedy enacted at Bel-
grade," said the prince, "by a
telegram from a cousin of mine
in Vienna the following morn-
ing. I calmly await the trend of
events. So long as no formal
proposals reach me, I have no
reason to leave Geneva, and I
will remain here. No one has
yet asked me to return to Serbia.
No one has yet offered me the
crown. You ask me what will
be my attitude when I am in
possession of the crown. If I am
called to the throne, I shall not
fail to take inspiration from the
admirable institutions of Swit-
zerland which I have learned to
appreciate highly. I favor ab-
solute liberty of the press. I
hope to see Serbia prosper under
the constitution of 1888, which is
very liberal."

ABANDONS CLAIM TO THRONE.
Pretender Has Become Supporter to
His Uncle.

Vienna, June 12.—The Austrian river
monitors Zamos, Leittha, Maros and
Kosores are said to have anchored be-
fore Belgrade yesterday, but this re-
port is officially denied. It is reported
that the garrison of Nish, Serbia, has
refused obedience to the new govern-
ment.

Prince Alexis Karageorgewitch, a ne-
phew of the newly proclaimed king of

Servia, who has himself been a pre-
tender to the throne, during the course
of an interview here today announced
that he had abandoned all claim there-
to and welcomed the advent of his
uncle as the best solution. The prince,
like other well-informed persons, attri-
butes the revolution to dissatisfaction
at the late King Alexander's marriage
to the court attendant, and to the
king's hostility to the radicals.

PRETENDER TO THRONE.

St. Petersburg, June 12.—The late
King Milan's second son, by Madame
Orlovich, whom he legitimized, and who
it is reported will dispute Prince Kara-
georgewitch's right to the Serbian
throne, lives at Constantinople with
his widowed mother. Madame Orlovich
was formerly architect to the sultan,
a post now held by her brother. King
Milan acknowledged parentage of the
boy who is now 15 years of age.

DRAGA WAS A BAD ONE.

Servia's Rulers Were Noted for Stupid-
ity and Culpability.

Paris, June 12.—Prince Rodjlar Kar-
ageorgewitch does not mix in politics.
He is well-known in artistic circles and
creates tasteful cabinets and articles
of stamped leather. He told a reporter
that he did not hesitate to declare that
he considered Queen Draga to have
been the cause of the assassination.
On becoming queen, she made herself
first feared and then hated. She brut-
ally revenged herself for the slightest
offense and pitilessly crushed high
or low who had the misfortune to
displease her. The king was only a tool
in the hands of this bold, domineering
woman. He was so weak-minded that
a doctor who attended him at Biarritz
declared that if he had been a French-
man he would have been declared in-
tellectually unfit for military service.
The prince added:

"The youthful sovereign was the vic-
tim of the merited unpopularity of his
consort. He could not resist the cul-
pability which finally destroyed him.
Moreover, whose draws the sword shall
perish by the sword. My family has
been tried to the utmost. My grand-
father was assassinated. Seventeen of
my relatives have been executed with-
out trial, and others were tortured.
Such crimes must be expiated sooner
or later."

TIE-UP THREATENED.

Three Hundred Men in Chicago Car
Shops Are on Strike.

Chicago, June 12.—Three hundred
men employed in the car shops of the
Chicago, Lake Shore & Eastern rail-
road have gone on strike and their ac-
tion threatens to tie up the South Chi-
cago plant of the company. The men
want an increase of two and one-half
per cent, which was refused.

Six hundred carpenters employed at
the Union stock yards desired to have
their pay raised to the union scale of
50 cents, but the packers refused on the
ground that the men worked the year
round. A compromise was reached
giving the carpenters 33 cents, the high-
est rate paid for similar work in any
city of the West.

BLACKSMITHS WORKING.

Cheyenne, Wyo., June 12.—The Un-
ion Pacific blacksmiths at this point
have returned to work. They should
have reported last Tuesday, but mis-
understood the terms of agreement.

POWDER COMPANIES ABSORBED

Million Dollar Corporation Will Control
California Plants.

San Francisco, June 12.—The negotia-
tions in progress during the last month
for the absorption of the four California
powder manufacturing companies by
the \$50,000,000 corporation recently or-
ganized under the laws of New Jersey,
by the Duponts of Wilmington, Del.,
are declared by officers of the local
companies to be practically completed.
No certificates of stock in the new
Eastern company have been issued to
the California stockholders, but the
terms on which the plants and good
will of the local corporations will be
transferred have been, for the most
part, settled. It is expected that
within the next fortnight all the Califor-
nia plants will pass into the control of
the Dupont company, which has al-
ready absorbed the largest Eastern
plants.

RELATIONS ARE STRAINED.

Costa Rica and Nicaragua Are on Need-
les and Pins.

San Jose, Costa Rica, June 12.—(Cor-
respondence of the Associated Press.)—
The relations between Costa Rica and
Nicaragua have been, for the last few
weeks, very strained. It is stated in
diplomatic circles that while the gov-
ernment of Costa Rica protested friend-
ship to Nicaragua, it was aiding the
revolution and co-operating with other
Central American states to overthrow
President Zelaya. The Nicaraguan
cabinet wants an understanding with
the president of Costa Rica and has
sent Secretary Sanchez to hold a con-
ference with him to warn him against
further interference.

SHE WAS, AND IS INSANE.

Proceedings Against Mrs. Richman
Will Be Dropped.

Watertown, N. Y., June 12.—A com-
mission appointed to inquire into the
sanity of Mrs. Rachel Richman, wife
of a wealthy New York manufacturer,
has rendered its report. The commis-
sioners find that Mrs. Richman is in-
sane now and that she was insane on
July 1, 1902, when she was accused of
stealing from Mrs. Walter Delabarre,
at a hotel in Alexandria Bay, a pearl
and diamond necklace, valued at \$10-
000. Mrs. Richman is now in a san-
itarium.

Mr. and Mrs. Richman were both in-
dicted, but an order was obtained for
a commission to investigate Mrs. Rich-
man's sanity and its report probably
means that the proceedings against her
will be dropped.

BLAST STARTLES BARBER.

Razor Lays Open Man's Cheek for
Three Inches.

New York, June 12.—Many persons
have been slightly injured by the dis-
charge of a heavy blast in the subway
at Broadway and Forty-third street.
Windows were broken on both sides of
the street, heavy rocks were thrown to
the roofs of nearby buildings and a
shower of splinters and stones hurt
many persons, but none seriously. The
shock so startled a barber in a shop
that he drew his razor's edge across a
customer's cheek and laid it open for
three inches.

No explanation for the heavy charge
of dynamite has been obtained.

POLITENESS AND TRAGEDY.

Man Lost His Life Through Giving Up
His Seat.

New York, June 12.—By giving his
seat to a woman in a street car in
Sixth avenue, Adrian Ferre met
with an accident which caused his
death. He got up to allow the woman
his seat and perched on the railing. A
car passing in the opposite direction
caught his clothing and he was drag-
ged to the street and almost instantly
killed. The police arrested the motor-
man.

MINISTERS TO RESIGN

Crisis In Italian Cabinet Will Prob-
ably End In Its Retirement.

NO REASON FOR EXISTENCE

Inquiry Into Navy Department
By The Minister Of Interior
Brings On Crisis.

Rome, June 12.—The cabinet min-
isters have decided to announce their
resignations. Although there was a
ministerial majority of 40, the cham-
ber of deputies' vote on Wednesday
against a parliamentary inquiry into
the conduct of the navy department, in
which Signor Giolitti, the minister of
the interior, was a leading figure,
caused the cabinet to decide to resign,
on the ground that there was no fur-
ther reason for its existence.

The ministry was until recently in
union with all the liberals, includ-
ing the extreme left, which, however,
joined the opposition in the adverse
vote.

HARROWING TALES OF

DEATH BY FLOOD

It Is Thought There Are Many Victims
Whose Bodies Will Not Be Re-
covered.

El Paso, Tex., June 12.—Twelve bod-
ies of flood victims have been recovered
at Clifton, Ariz., but the death list gen-
erally is placed at thirty-one. Many of
the bodies will never be recovered, al-
though hundreds of men, including
many of the striking miners, are en-
gaged in the search. The rush of wa-
ters bore most of the bodies from
Chase creek into the San Francisco
river.

Harrowing tales of death are reported
by people living along Chase creek,
one man reporting that he counted 12
people struggling in the water and be-
lieves that all of them were lost. One
Mexican woman lost five children who
were swept away with the wreckage of
her home.

Clifton had her hero on horseback,
similar to the man who rode down the
valley of Johnstown, Pa., and warned
the people of the impending danger.
The Clifton hero rode at racing speed
five minutes ahead of the torrent and
shouted to the settlers to flee to higher
ground. His warning saved hundreds
of lives.

CLERK MADE CASHIER.

W. R. Pentz Has Confidence of Finan-
cial Institutions.

San Francisco, June 12.—William R.
Pentz, confidential clerk of the Ameri-
can Exchange National bank of New
York, has been appointed assistant
cashier of the Bank of California in
this city. He is still in the East. Pentz
is a man of extensive banking experi-
ence and stands high among financial
institutions.

CATHOLIC COLLEGE MEETING.

Worcester, Mass., June 12.—Bishop
Thomas J. Conway, chairman of the
committee appointed to arrange for the
fifth annual conference of American
Catholic colleges, announces that the
conference will be held the last week
in October in Philadelphia instead of
the first week in July, as previously
announced.

TO BUILD CONNECTING ROAD.

Application for Permission to Build
One in New York.

New York, June 12.—Formal applica-
tion for permission to build the New
York connecting railroad in Brooklyn
and Queens borough has been made to
the Rapid Transit commissioners by
counsel for the Long Island Railroad
company. The company has obtained
permission to construct a bridge over
the East river, Ward's and Randall's
islands, to connect with the New York,
New Haven & Hartford railroad at
Port Morris. This line will be a con-
necting link enabling the running of
trains from the Pennsylvania road by
way of the tunnel under Manhattan Is-
land and through to New England and all
points on Long Island.

COACH HORSES SOLD.

Pig Prices Paid for Batch of the Ani-
mals by Noted People.

New York, June 12.—Probably the
highest prices ever paid in this coun-
try for coach horses at auction have
been realized at the sale here of 34 ani-
mals which have been used two
months in working the coach Pioneer
between New York and Ardley. The
total proceeds of the sale were \$24,000.
Among the buyers were Harry Payne
Whitney, G. G. Haven, Jr., and other
well-known whips. The former paid
the top price of \$4750 for one pair. Sev-
eral others were sold singly at \$1000 to
\$1800.

HOUSE BOAT CAPSIZED.

Party of Shell Gatherers Lost Their
Lives.

Clarendon, Ark., June 12.—Seven per-
sons have been drowned at Aberdeen
on White river, by the capsizing of a
house boat. The victims were W. B.
Money-maker and wife; J. M. Clark and
wife and two boys and a girl. The peo-
ple were engaged in gathering mussel
shells.

erated Upon by Surgeons.

Poughkeepsie, N. Y., June 12.—Miss
Ellen C. Roosevelt, a cousin of the
president, has successfully been op-
erated upon for appendicitis at her home
in this city. Miss Roosevelt was at
one time a champion lawn tennis play-
er and is an expert in the handling of
ice yachts.
